O. , 2006. OCLC Number: (OCoLC)70278059 Subject: Petroleum industry and trade -- United States. Excerpt: . . . XV oil and gas prices, investment in alternative fuels has surged. As more is invested, innovation in technology and production will drive prices down further. That is why it is so important to get the first cellulosic ethanol facilities up and running. The President said in his State of the Union Address that he wanted to make cellulosic ethanol practical and competitive within 6 years. In fact, one plant is ready to be built in Idaho, and many others could be built within the 6-year timeframe. I have asked the President to make sure that the loan guarantees that Congress authorized for cel-lulosic ethanol production are in place by this summer. As alternative fuels become more competitive, oil and gas pro-ducers have strong incentive to drop prices to kill the competition. Investors need to know that alternative energy initiatives will con-tinue to be competitive. A revenue-neutral...

Reviews

This is the best pdf i actually have read till now. It typically fails to charge too much. Your life period will probably be transform the instant you total reading this publication.

-- **Dr. Don Morissette V**

This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).
