BODILY DEFORMITIES AND THEIR TREATMENT: A HANDBOOK PRACTICAL ORTHOPAEDICS (CLASSIC REPRINT)

DOWNLOAD

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Bodily Deformities and Their Treatment: A Handbook Practical Orthopaedics This work is the first of a series which was projected some time since, and is, I believe, the original instance of a collection of monographs on the various departments of Surgery, Medicine, and Gynecology of a comprehensive and concise character, at a reasonable price, intended for publication in this country. That the idea is a good one is evidenced by the announcement of a similar series some time after the present one was arranged. With the exception of works on some of the sections of Orthopaedic Surgery by well-known Orthopaedic veterans, no book of an authoritative character, i.e., founded on a large, special and general experience, has, for many years, appeared in Great Britain. Indeed, so far as I know, there is no work in any language dealing with orthopaedics in its modern sense. This gap I have endeavoured to fill, and though no one can, or should be, more conscious of the difficulty of doing justice to a rapidly-growing surgical specialty than the author, yet - if he like his subject - his labour becomes lightened by the reflection that honest work, however imperfect, will meet with its meed of appreciation in candid minds. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
