It is the truth of the joys of single parenting, empty coffers, growing old and losing your mind! Rashmi promises that this book is the truth, and nothing but the truth. so help her God! The whole truth has been heavily censored by her daughter Sonakshi. And completely denied by her son Yashveer!Walk a few steps with Rashmi on the joyful journey of her life, and you may relate to a few instances. You may even laugh. But most definitely after reading about Rashmi's life, you will go down on bended knee and thank God for your own! Printed Pages: 136.
