Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Ensilage: Being Some Notes on the Construction and Management of the Different Kinds of Silos, Together With Observations on the Value of Silage for Farm Stock The following notes have grown somewhat out of lectures delivered in October last at the Government School of Agriculture, Elsenburg. When, as an afterthought, it occurred to me that a wider use might be made of the observations they contain, I consulted with those in a position to judge, and, meeting with encouragement, resolved to publish them. In general design the pamphlet retains the character of the original lectures, which were, in accordance to the presumed expectations of a young and progressive audience, an attempt to display the importance of, and necessity for, the general introduction of a more advanced agricultural method. To prevent any misunderstanding, perhaps I should say that the writer does not claim any of that praise which belongs to those who suggest an altogether new and improved plan for the mitigation of the many difficulties which beset the South African farmer, but he does hope that the intelligible and handy form of this little book will bring the subject to the notice of many who will, he trusts, profit by its perusal. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
