Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1916 Excerpt: . . . wish to increase their training Can the board grant leave of absence in the case of a good teacher to encourage her taking advanced educational work with the certainty of a position with a salary increase when she is through Find out in the case of the present teachers how many have attended summer session courses since beginning teaching work. Find out this also for teachers during the past five years and compare. Summer work for teachers is very important as it shows whether or not they are anxious to keep out of an educational rut and to advance themselves professionally all the time. One Wisconsin city asks in its contract of those teachers who have been out in work five years that they take some summer professional work at college or normal school. This city has a remarkable record as to the length of time...
