I strongly advised him to spend the money in a good permanent roof at a slightly higher level, and in erecting a western open tower. Unfortunately it is not etiquette to interfere with the authority of a recognised architect on the opinion of a mere outsider, and the work went on. Some time afterwards I revisited the church to find all my forebodings realised. A lofty clerestory and high-pitched roof had been added; and the previously well-proportioned, spacious edifice had shrunk into an oppressively narrow, insignificant, toy-like chapel. The extra height had dwarfed everything. No moral is suggested to the effect that clerestories should be avoided, or that clients ought to throw over an experienced architect at the bidding of some irresponsible critic. The only lesson I wish to draw from this little episode is, how important a matter is due proportion of parts....
