Brand New Book ***** Print on Demand *****.Excerpt from Recommended Uniform Law for Registration of Architects Title. - An Act to regulate the practice of the professions of architecture, engineering and land surveying. [Note: (a) In certain States further amplification of title may be required by law.] [Note: (b) The brief terms architecture, engineering and land surveying give simpler and clearer understanding of the activities affected by this Act than any definition. Such definitions as have been devised have proven academic, difficult of proper inclusion and exclusion, confusing, laborious and frequently of great length.] [Note: (c) Laws for the registration of architects and engineers must be either in parallel or in common. Assuming the best interests of each to lie in co-operation, and having in mind economical administration of a law, both are included in this Act. Surveying is a function of engineering, but land surveying deals with land measurements involving property rights.] The People of the State of. enact: Section I. - In order to safeguard life, health and property, any person practicing or offering to practice as an architect, a professional...
