Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Coffee cozies and kindle covers are so quick and easy you can crochet one in two hours or less! The patterns are easy, however, you should know how to crochet in the round and be able to front and back post crochet before attempting these patterns. Cozies and kindle covers make great gifts and are fun to crochet. There are nine designs in this book. The coffee cozy patterns are for either an 18-20 inch disposable coffee cup or coffee cups. You can make the cozies in a classic houndstooth check, basket weave, or textured rib pattern. All of the cozy patterns have a matching kindle cover. The kindle cover patterns are for three sizes. The patterns are based on the width of the eReader or small tablet with adjustments made for height. Choose the size, small, medium, or large that is closest to the width of your device and crochet about an inch taller than the device. The patterns can be used for many brands of eReaders or tablets. I have compiled a list of some popular eReaders and tablets, their dimensions, and the corresponding pattern size.
