Simon Pulse, 2005. Mass Market Paperback. Book Condition: New. 303 pages; Kai is stoked when he gets to Sun Haven. He hasn't been on a board in a while. And SH has some primo waves. Screamers is the spot where you can regularly get tubed. Only it's patrolled by locals who keep it to themselves. They'll only let Kai into the lineup if he competes against one of them. This is everything Kai hates about surfing - the competition, the commercialism. He's a free surfer at heart. But if he doesn't take the challenge, he'll lose what he lives for: da kine waves.
