

The Basics of Achieving Professional Certification: Enhancing Your Credentials

By Willis H. Thomas

Taylor & Francis Inc. Paperback. Book Condition: new. BRAND NEW, The Basics of Achieving Professional Certification: Enhancing Your Credentials, Willis H. Thomas, Professional certification has become a very popular topic and a significant number of individuals are making it a priority. Some people are torn on whether or not to obtain a certification to bolster their career. Others see the advantage of diversifying their professional portfolio and pursuing popular certifications in the areas of Project Management, Information Technology, Quality, or Human Resources. The Basics of Achieving Professional Certification: Enhancing Your Credentials provides clear-cut guidance on how to select a certification that is right for you and how you can continue to build your credentials in support of personal and professional goals. This easy-to-use guide can help anyone looking to achieve professional certification make informed decisions about the many options available. It can also help avoid the pitfalls of making the wrong choice as a result of being incorrectly informed. Examining the range of professional certifications offered by associations and organizations, it explains how to select the right professional certification and outlines best practices for completing the certification process. The book includes a CD that represents more than a year of...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
