INTERVIEWS WITH A FORMER PORN ADDICTED SEXUAL EXHIBITIONIST HOW SEXUALLY DEVIANT BEHAVIORS IN CHRISTIAN MEN DAMAGES LIVES

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 40 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. The content of this book (at approx 6, 187 words in length) is the story about a personal struggle experienced by a man who has for obvious reasons, requested to remain anonymous but who suffered a very serious obsessive compulsive disorder for many years of his life, involving the area of sexual exhibitionism and addiction to pornography. I became acquainted with this man through an online anxiety disorder forum and upon his becoming aware that I was a writer and author of published booksebooks he requested to personally correspond with me. After beginning email correspondence with him, we both discovered that we had experienced scenarios that were similar in some areas, while very different in others. Most cases of porn addiction do not involve anxiety disorders but this was the case with the man who agreed to be interviewed by me for this book and as his experience demonstrates, sexual addictions may become more severe if anxiety disorders are also present and serve to fuel them. Obviously there are many other types of addictions in the area of sexuality as well and some cause severe harm to others who become the target of men who perpetrate them. Sexual deviance that is not recognized, has caused serious detriment to societies throughout the history of mankind and it continues to do so. The subject matter is of a very serious nature and I have intended to address it as cautiously and respectfully as possible, within my abilities as a well-studied layperson, who has published resources on the subject of anxiety disorders since the year 2005. Additionally, I have been publishing resources on subjects of Christianity since the year 2005 as...
