Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Friedrich Nietzsche - On The Future of Our Educational Institutions. Translated, With Introduction, By J.M. Kennedy. Complete New Edition. The title I gave to these lectures ought, like all titles, to have been as definite, as plain, and as significant as possible; now, however, I observe that owing to a certain excess of precision, in its present form it is too short and consequently misleading. My first duty therefore will be to explain the title, together with the object of these lectures, to you, and to apologise for being obliged to do this. When I promised to speak to you concerning the future of our educational institutions, I was not thinking especially of the evolution of our particular institutions in Bale. However frequently my general observations may seem to bear particular application to our own conditions here, I personally have no desire to draw these inferences, and do not wish to be held responsible if they should be drawn, for the simple reason that I consider myself still far too much an inexperienced stranger among you, and much too superficially acquainted with your methods, to pretend to pass judgment upon any such special order of scholastic establishments, or to predict the probable course their development will follow. On the other hand, I know full well under what distinguished auspices I have to deliver these lectures-namely, in a city which is striving to educate and enlighten its inhabitants on a scale so magnificently out of proportion to its size, that it must put all larger cities to shame. This being so, I presume I am justified in assuming that in a quarter where so much is done for the...
