Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.An ideal guide for the curious musician or for the musical parent, this book will turn the student from complete beginner to amateur pianist by teaching the first piece from one of the most influential texts in western music, the Well-Tempered Clavier by J.S.Bach. In the first part you will learn how to read music. The fourth step comes just before the grand finale, and in the fifth and final section it's time to play the whole piece, from the first to the last bar. All will be accomplished in 30...
