BIRDS IN KANSAS: VOLUME I

University Press of Kansas, 1989. Paperback. Book Condition: New. 089338027X Kansas knows how to attract birds. Located in the very center of the North American continent, it straddles the Central Flyway, one of the primary migration "highways" between Canada and South America. It also contains a broad spectrum of habitats, including deciduous forest, grassland, sagebrush, and a remarkable system of internationally important wetlands. As a result of this unique combination of natural features, Kansas attracts most of the eastern bird...
