An incredibly great book with perfect and lucid reasons. It really is written in straightforward words instead of confusing. I am just very easily could get a delight of reading through a written pdf.

CANTON (POSTCARD HISTORY)

Arcadia Publishing, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Title: Canton history in picture postcards Author: Gary Brown Publisher: Canton Rep Date: 8/16/09 History is found in the images offered by postcards included in Gay Morgan Moore's "Canton." But, just as fascinating as the photographs are the stories told by the brief notes written on the back of the postcards. "There is one picture in here of the Aultman home for the Aged, which was where the Civic Center is now," Moore recalled at a book signing Friday at National First Ladies' Library. "On the back was a message from a lady who lived there to her grandson, who lived in Salt Lake City. She thanks him for his cards and letters, and she says to him she hopes she gets to see him one more time. It's so touching." BORN OF HOBBY A former city resident, Moore was inspired to write "Canton," part of Arcadia Publishing's Postcard History Series, by the interest in history shown by her aunt, Mary Esther Myers, who worked for Canton Preservation Society and whom Moore continues to visit. "My family moved to Atlanta when I was a child, but I spent many summers here, visiting," she said. The book grew from Moore's interest in collecting postcards. All the images in the book are from her collection. Many of them date back to early in the 20th century, and most are from 1900 to 1920. "I've had a postcard collection for years and when I was here last year, I decided I probably had enough to do a postcard book," she explained. "So I did a proposal for Arcadia, and they accepted, and then I realized I didn't have enough postcards -- there are 227 of them..."
