Christian Focus Publications Ltd. Paperback / softback. Book Condition: new. BRAND NEW, Teaching Romans, Volume 2: Unlocking Romans 9-16 for the Bible Teacher, Christopher Ash, David Jackman, Robin Sydserff, The book of Romans brings us face to face with the wonderful glory of God's grace to unify our churches and to inspire us to reach our world with the barrier-breaking message of Christ. The sheer scale and depth of Romans make it challenging to teach but Christopher Ash leads us step by step through understanding and communicating this life-changing book. Teaching Romans Volume 2 covers chapters 9-16. This series gives the Bible teacher suitable tools to understand the context of Biblical books, the key teaching points and how to communicate that message to the hearer. Whilst very useful for preachers, this book is also aimed at equipping small group study leaders, youth workers and other Bible teachers. The books are purposefully practical, working systematically through suggested preaching or Bible study series. Preaching outlines and Bible study questions are included for each passage.
