Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Translator s Note An artist usually lives in and out of the two intertwining worlds the world of reality and the world of imagination. A skilful artist often transports the reader into the world of imagination and fantasy. It is needless to say that a writer of what is known as Sci-fi must have very fertile imagination since it is an art that demands the craftsmanship to bring the fantastic world into life, otherwise it could turn out into a grotesque, ludicrous outcome. With such films as Star Wars and RoboCop, the popularity of Sci-fi has never declined through 21st century. Under the literary genre of the novel, Frankenstein (1818) by Mary Wollstonecraft Shelley, The War of the Worlds (1897) by H.G. Wells and Brave New World (1932) by Aldous Huxley can be taken as good examples. On the other hand, in Myanmar literature, Myanmar sci-fi has not been a household name for the Myanmar reader. Zaw Thit s Lu-Apo-Pyit-si- A-yaung-Hsai (The Human Body Spare Parts) has the subject matter that might...
