

The Lands of Nod Book One

By Carol A Pady

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Lands of Nod is a fantasy book for all ages, with many characters and turns and twists to it. It is the beginning book of a trilogy. Far, far away beyond the foaming 7 seas, beneath the countless glistening stars, in the endless eternal skies, imbedded in the realms of unconsciousness lies the timeless ever-changing lands of Nod. Surrounded by a fierce raging ocean, covered in a dreamy mist, the land holds many tales of lore and mystery. She is filled with the gurgles of sparking mountain streams, lush green rolling hills, grassy knolls, craggy cliffs, majestic mountains, barren wastelands and deep forests of whispering pines. You cannot travel there by land, or by sea, only by way of the deep abyss of your unconsciousness, through the tunnels and passages of your dreams, beyond the realms of reality, deep in the shadows of fantasy. Your journey will bring you upon the many awesome wonders, creatures and beasts of Nod; wherein resides the Horks (a very distant relative to the leprechaun).

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
