iUniverse, United States, 2007. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. World Peace Seeds: Planting and Growing Personal Destiny is a delightful allegorical story about a sunflower named Samuel James and the Laws that govern the Universe. During Samuel s cycle of life, you will be taken through the physical, mental, and spiritual worlds. While there, the Law of Cause and Effect will be demonstrated continuously, pointing out that we create our reality. Samuel is joined by the Hanson family, tending to his cultivation, and by Brother J, a light being from another dimension. From selecting seeds, growing, and finally harvesting, you will be preparing yourself for the responsibility that lays ahead, bringing about World Peace. The nature of this work requires your reflective attention. It clearly points out that you are within the metaphorical garden at all times. When you look about you at the world of today, it is quite clear the importance of the task at hand. World Peace Seeds will inspire you to step up to the challenge, doing your part to make the world a better place for future generations.
