Collins ELT Readers -- Amazing Scientists (Level 3)

By Anne Collins

HARPERCOLLINS UK, 2014. Book Condition: New. The inspiring stories of 6 people who changed history. About the Amazing People series: A unique opportunity for learners of English to read about the exceptional lives and incredible abilities of some of the most insightful people the world has seen. Each book contains six short stories, told by the character themselves, as if in their own words. The stories explain the most significant parts of each character's life, giving an insight into how they came to be such an important historic figure. After each story, a timeline presents the most major events in their life in a clear and succinct fashion. The timeline is ideal for checking comprehension or as a basis for project work or further research. Created in association with The Amazing People Club. About Collins ELT Readers: Collins ELT Readers are divided into four levels: Level 1 - elementary (A2) Level 2 - pre-intermediate (A2-B1) Level 3 - intermediate (B1) Level 4 - upper intermediate (B2) Each level is carefully graded to ensure that the learner both enjoys and benefits from their reading experience. Each book includes a free CD with a full recording of each story. PLUS: go online...

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my dad and he suggested this ebook to discover.
