

Eat Me: Appetite for Design

By Viction Workshop Ltd,

Victionary March 2012, 2012. Trade Paperback. Book Condition: New. Food has long been a source of inspiration to cultures around the world. The passionate designers at the forefront of the field have poured their creativity into every aspect of food culture. Eat Me gathers an extraordinary collection of designed places, art products, brands, people, and commodities within the world of food. New trends and materials have led to unique opportunities for the designers of today - to enhance and elevate one's culinary experience by speaking to our minds as well as our stomachs. Eat Me features not only the best in food packaging but also side products like utensils, kitchenware, and menu design. Eating spaces are also included in a section of the book that gives a round-the-world tour of the latest and most innovative cafes, bars, and restaurants. The third section of the book is about the arts and showcases the latest events, exhibitions, installations, and art pieces made with or inspired by food. Explore the latest trends through numerous case studies. The packaging of food and its implements has takes many forms throughout the ages from the sanitary to the recognizable, the utilitarian to the avant-garde. While an...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.

-- **Andres Bashirian**

Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.
