

Transgender Emergence: Therapeutic Guidelines for Working with Gender-Variant People and Their Families

By Arlene Istar Lev

Taylor Francis Inc, United States, 2004. Paperback. Book Condition: New. 213 x 152 mm. Language: English . Brand New Book. Explore an ecological strength-based framework for the treatment of gender-variant clients This comprehensive book provides you with a clinical and theoretical overview of the issues facing transgendered/transsexual people and their families. Transgender Emergence: Therapeutic Guidelines for Working with Gender-Variant People and Their Families views assessment and treatment through a nonpathologizing lens that honors human diversity and acknowledges the role of oppression in the developmental process of gender identity formation. Specific sections of Transgender Emergence: Therapeutic Guidelines for Working with Gender-Variant People and Their Families address the needs of gender-variant people as well as transgender children and youth. The issues facing gender-variant populations who have not been the focus of clinical care, such as intersexed people, female-to-male transgendered people, and those who identify as bigendered, are also addressed. The book examines: * the six stages of transgender emergence * coming out transgendered as a normative process of gender identity development * thinking outside the box in the deconstruction of sex and gender * the difference between sexual orientation and gender identity, as well as the convergence, overlap, and integration of these...

Reviews

The ebook is straightforward in read through preferable to comprehend. It is definitely simplified but shocks within the fifty percent of your pdf. Your lifestyle span is going to be transform when you total reading this publication.

-- Dr. Jarrett Bednar

Very useful to all of class of individuals. It is really simplistic but excitement from the 50 % in the ebook. I realized this ebook from my i and dad recommended this pdf to learn.
