Thanks to the world shrinking due to more advanced transport facilities, more and more women are taking the first step of traveling to other countries and exploring the new cultures, and horizons open to them. It is the first step outside your own safe and secure circle, which is rather daunting. So for most of us Going solo is not something which people normally do because let me tell you frankly, I have noticed that a number of my women friends, colleagues and acquaintances consider any sort of traveled to be a bore. Who really wants to undergo the hassle of being a...
