Cornerstone. Paperback. Book Condition: new. BRAND NEW, The C-Word, Lisa Lynch, Carrie Bradshaw fell in Dior, I fell in Debenhams. It was May 2008, and it was spectacular. Uncomfortable heels + slippy floor + head turned by a cocktail dress = thwack. Arms stretched overhead, teeth cracking on floor tiles, chest and knees breaking the fall. It was theatrical, exaggerated, a perfect 6.0. And it was Significant Moment #1 in discovering that I had grade-three breast cancer.' The last thing Lisa Lynch had expected to put on her 'things to do before you're 30' list was beating breast cancer, but them's the breaks. So with her life on hold, and her mind close to capacity with unspoken fears, questions and emotions, she turned to her Mac and started blogging about the frustrating, life-altering, sheer pain-in-the-arse inconvenience of getting breast cancer at the age of 28. The C-Word is an unflinchingly honest and darkly humorous account of Lisa's battle with The Bullshit, as she came to call it. From the good days when she could almost pretend it wasn't happening, to the bad days, when she couldn't bear to wake up, Lisa's story is emotional, heartbreaking and often hilarious. The C-Word will make you laugh and cry, and ultimately reaffirm your faith in life.
