### ***Reviews***

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

ISA's ability to act as an edge firewall, a Virtual Private Networking solution, a reverse proxy server, or a content caching device give it unprecedented flexibility and position it as a valuable security tool for many types of organizations. ISA Server 2006 Unleashed provides insight into the inner workings of the product, as well as providing best-practice advice on design and implementation concepts for ISA. In addition to detailing commonly requested topics such as securing Outlook Web Access, deploying ISA in a firewall DMZ, and monitoring ISA traffic, this book provides up-to-date information about the new enhancements made to the 2006 version of the product. The author draws upon his experience deploying and managing enterprise ISA environments to present real-world scenarios, outline tips and tricks, and provide step-by-step guides to securing infrastructure using ISA. 572 pp. Englisch.
