Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

C. 20013) : The Office, 2001. OCLC Number: (OCoLC)46774108 Subject: National security -- United States -- Accounting. Excerpt: . . . Overview (3) implementing commercial practices for contract pricing, and (4) managing health care contracts. Without effective control over its contract management activities, the Department will continue to risk erroneously paying contractors millions of dollars and perpetuating other financial management and accounting control problems. Weak systems and controls also leave the Department vulnerable to fraud and improper payment. We have testified that the application of commercial best practices, such as the use of more cost-effective buying strategies for commercial spare parts, can improve acquisition and contracting processes and help reduce contract risk. Regarding specific operations challenges, the Support Department has to address inefficiencies in its support Infrastructure infrastructure. Again, while progress has been made in Inefficiencies this area, more needs to be done if the Department expects to reduce infrastructure costs and improve business operations through its reform initiatives. After the Cold War, the defense force structure and military spending were reduced, and the Department realized it must make its operations and support infrastructure smaller, more efficient, and more responsive to warfighter needs and to create savings for other needs like weapons modernization. Although the Department has reduced its forces by about 25 percent and closed many bases, the percentage of its budget spent on support infrastructure has remained relatively constant. Because of continued inefficiencies in its support infrastructure, this continues as a high-risk area for the Department. The effectiveness of many civilian agencies has also been undermined by outmoded organizational structures that drain resources needed to make improvements to missio....
