Brand New Book ***** Print on Demand *****.Cornish (Kernowek or Kernewek) is a Southwestern Brittonic Celtic language historically spoken by the Cornish people. The language has undergone a revival in recent decades and is considered to be an important part of Cornish identity, culture and heritage. It is a recognised minority language of the United Kingdom, protected under the European Charter for Regional or Minority Languages, and has a growing number of speakers. Along with Welsh and Breton, Cornish is descended directly from the Common Brittonic language spoken throughout much of Britain before the English language came to dominate. It was the main language of Cornwall for centuries until it was pushed westwards by English, maintaining close links with its sister language Brezhoneg with which it was mutually intelligible until well into the Middle Ages. Cornish continued to function as a common community language in parts of Cornwall until the late 18th century, and continued to be spoken in the home by some families into the 19th and possibly 20th centuries, overlapping the beginning of revival efforts. A process to revive the language was begun in the early 20th century, with a number of orthographical systems in use until a Standard Written Form was agreed upon in 2008. In 2010 UNESCO announced that its former classification of the language as "extinct" was no longer accurate. Since the revival of the language, many Cornish textbooks and works of literature have been published and an increasing number of people are studying the language. Recent developments include Cornish music, independent films, and children's books. A small number of people in Cornwall have been brought up to be bilingual native speakers, and the language is...
